

Supporting Birmingham Children's Hospital

PRESS RELEASE 3

INPAS 2011 Expo & Trade Show – Stoneleigh Park Exhibition Centre 15th – 16th March 2011

INPAS 2011 Expo & Trade Show has announced that it is to raise money in support of Birmingham Children's Hospital,

Show organiser, Peter Grand said, "being a play industry show it makes absolute sense that we should support local children and having heard about the requirements of Birmingham's Children's Hospital it was any easy decision for us to make.

We also heard about a young local baby who had to have heart surgery at the hospital who was now recovering.

We are going to run a raffle, seek donations and see how much we can raise."

INPAS 2011 is a must visit Expo for all those involved in the leisure, play and attractions industry. INPAS 2011 is now the largest dedicated UK show for the industry sector

Entrance and parking at the show is FREE and visitors can obtain their visitor badges by registering on the INPAS 2011 web site www.inpas.co.uk.

Further information is available at www.inpas.co.uk
